## Considering Adopting A Child???

**We Can Help.**

**AAU Adoptions,  
inc**

## Is Adoption Right For You??? Are You Ready To...

- Lovingly parent a child?
- Provide a stable future and home life?
- Parent a child that will not look like you?
- Accept that you are not "settling" for an adopted child?
- Possibly have continued contact with the child's birth family?
- Be parents both emotionally and physically?
- Acknowledge that you will be able to love a child, even though he/she was not born to you?

## Adoption Process

- Application
- Educational training
- Homestudy
- Match with child or birth family
- Relationship building with birth family or transition with child
- Placement
- Post placement supervision
- Finalization

## Program Options

### Domestic Infant/Toddler Program

- Newborn infant or toddler born in the United States, voluntarily placed for adoption by their birth parents
- Birth parents choose adoptive family and the level of openness they desire

### Homestudy/Post Placement Supervision

- Option for those seeking homestudy and post placement service only
- For use with any accepting agency or private adoption attorney

### Designated Birthparent Program

- Proactive adoptive parents locate a birth parent and need assistance with the adoption and counseling process.
